Title: DIFFRACTIVE COLOR SYSTEM

RESPONSE TO RESTRICTION REQUIREMENT

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the restriction requirement issued November 23, 2010, Applicants restrict prosecution of this application to Group I, claims 41-56, drawn to a method and system for providing a target color by mixing together two or more primary colors. It appears as if Group I was mistakenly identified as including claims 57-59, which are directed to a diffractive component.

If an interview would advance the prosecution of this case, Applicants urge the Examiner to contact the undersigned at the telephone number listed below.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: December 17, 2010
